

Tavern on the Green will be closed for dinner on the following evenings for private events:

Wednesday, September 22, 2021

Friday, September 24, 2021

Sunday, September 26, 2021

We apologize for any inconvenience and hope to see you soon!

In an effort to keep our community and team safe, in addition to being compliant with New York City's "Key to NYC" mandate, issued by Mayor De Blasio, all guests at Tavern on the Green will be required to show proof of at least one dose of vaccination in order to dine indoors and enter the indoors premises. Our team will be following this standard as well.

Accepted proof of vaccination includes a physical vaccination card, a New York State Excelsior Pass, a relevant state provided vaccine pass, or a photo of your vaccination card. Minors under the age of 12 will not be required to show proof of vaccination.

Unvaccinated guests will be permitted in our outdoor areas, weather permitting, and may use the public restroom facilities outside, just off the Central Park Bridal Path.

We do still require guests to wear masks when not seated at their tables and eating and drinking.

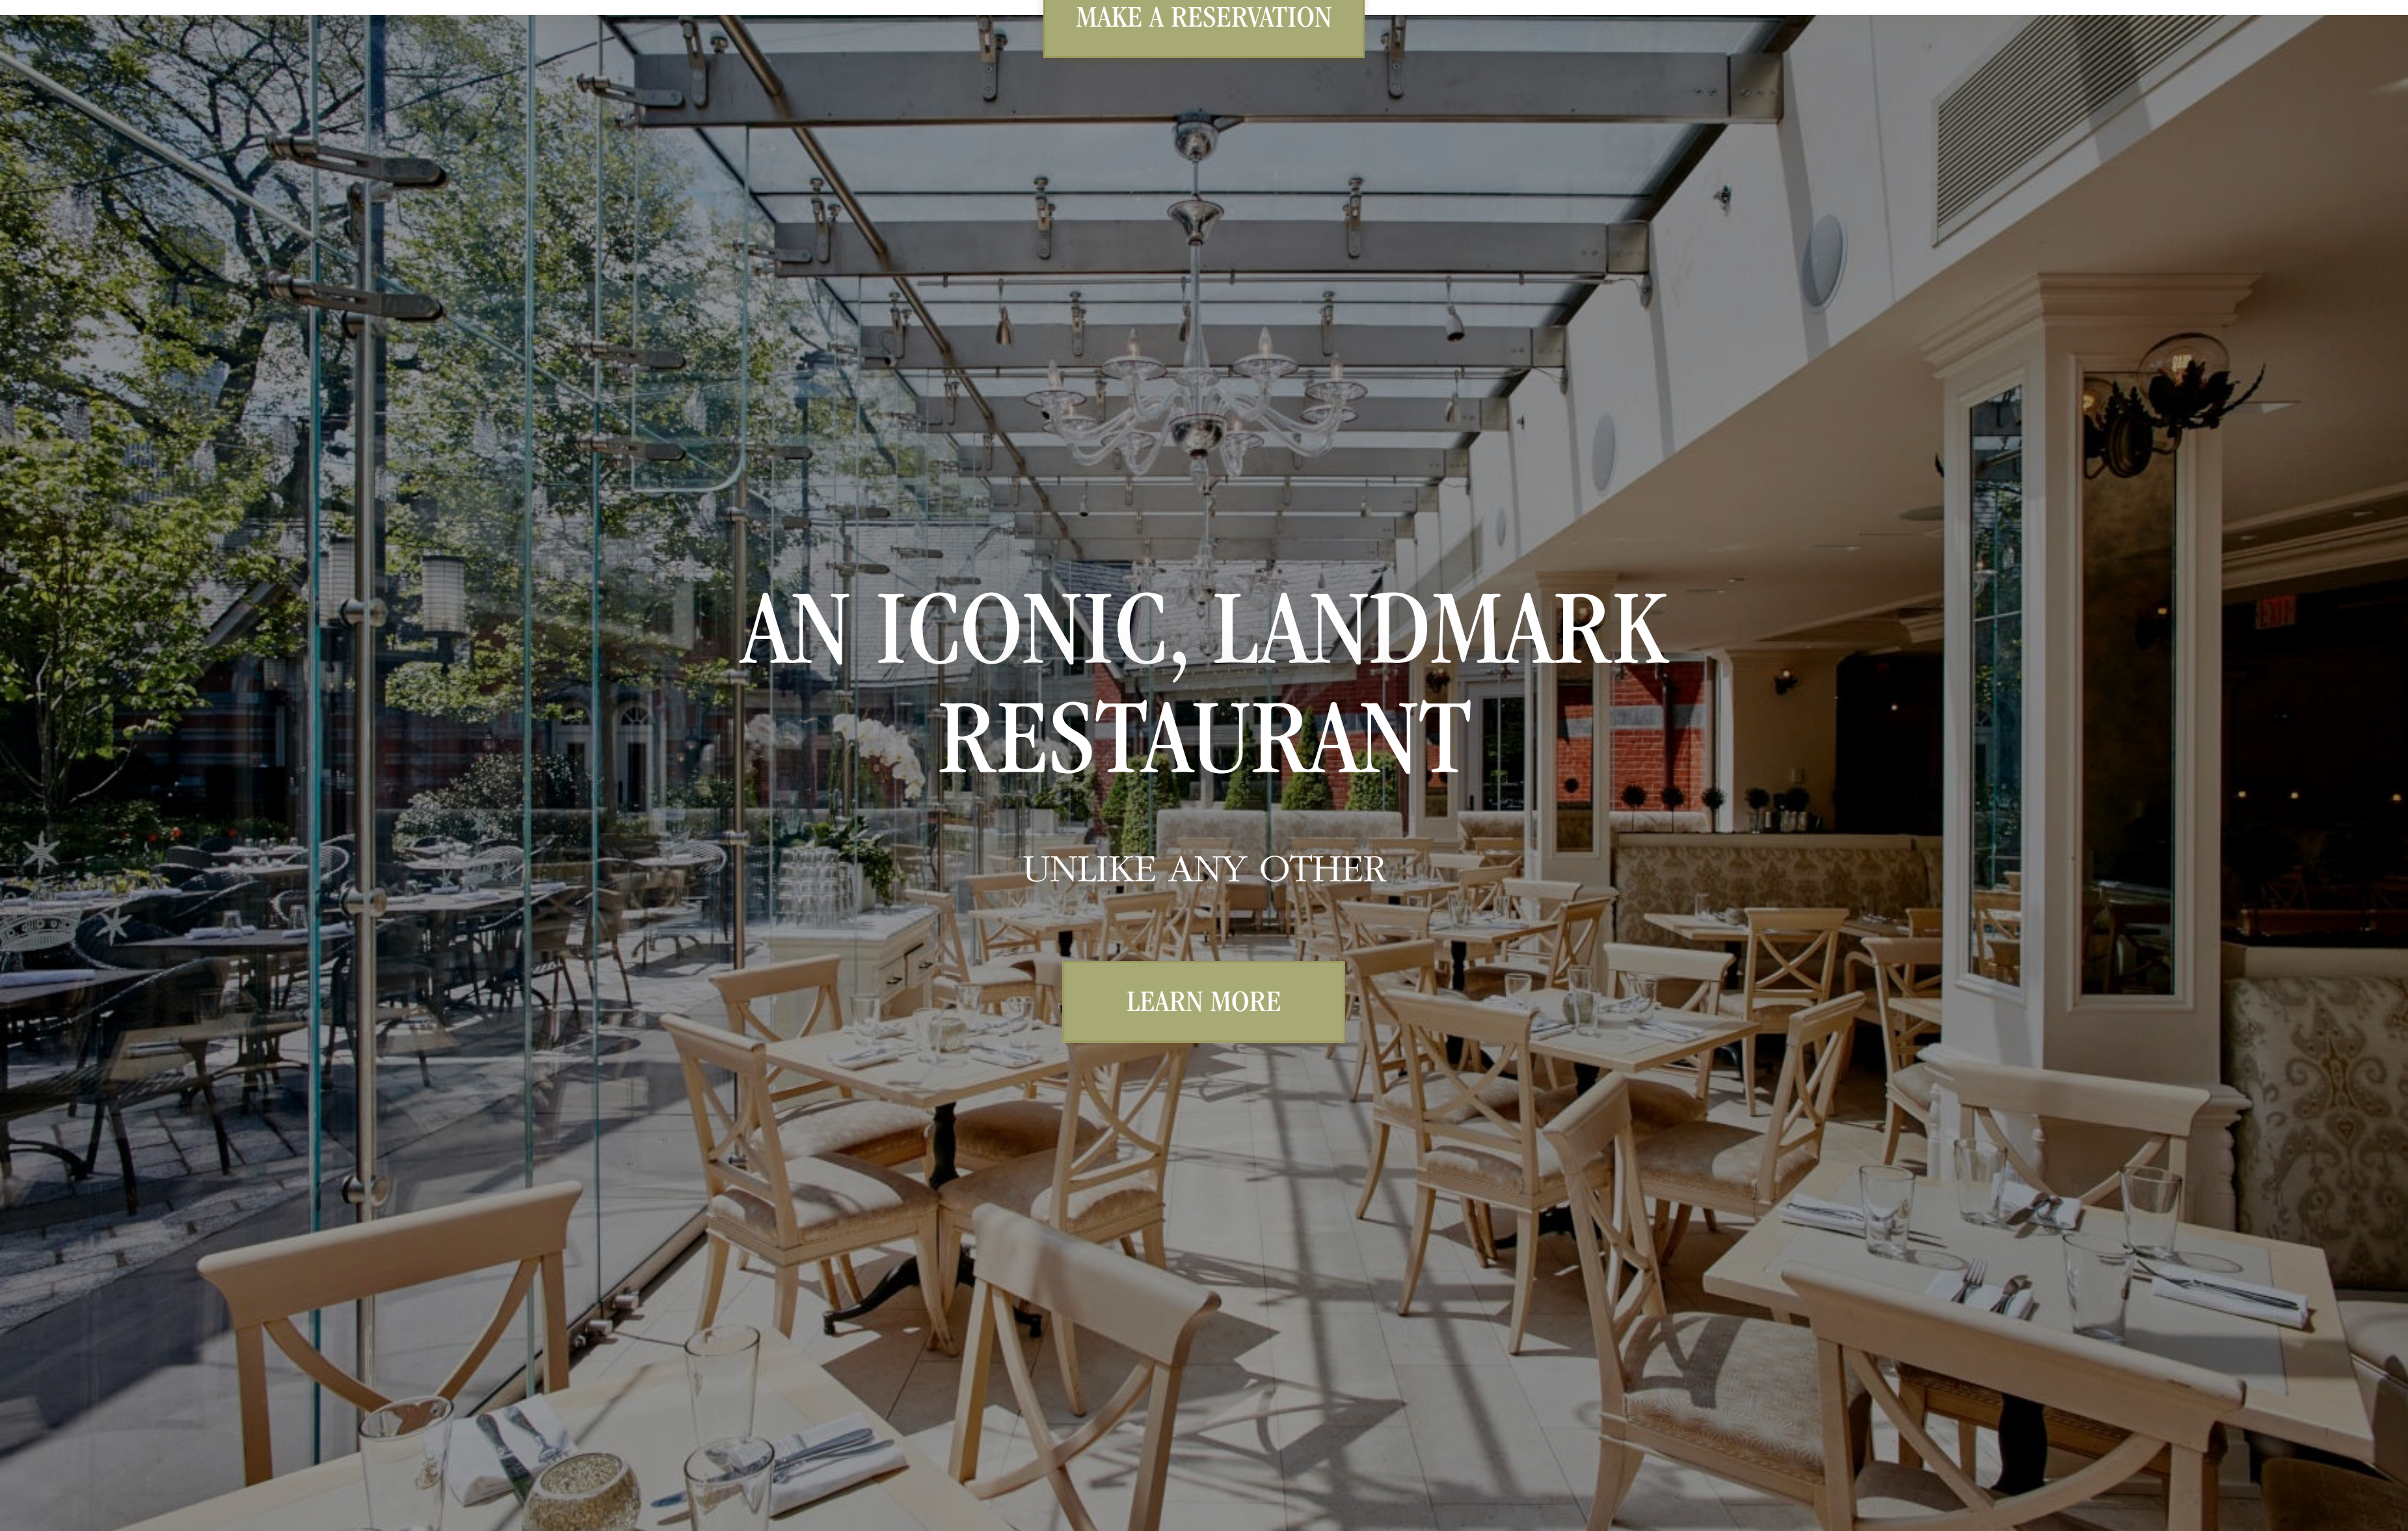

We are committed to keeping our guests and employees safe and healthy, and to following the mandates set forth by local and state officials, and thank you for your cooperation.
